For the last 100 years good salesmen and marketing people were amongst the highest paid individuals on the planet! 20 years ago it was a hard and tough job. Only a few brave soles could master it.

But times have changed. Thanks to brand new technology a NEW BREED OF MARKETERS are leading the field. They are “MILKING THE CASH COW” to the tune of millions every single day. And you know what? It is SO easy, YOU can do it too!

Dear Friend,

This is NOT a joke.

Being a millionaire is not just about having money in the bank. No, it is much more than that.

It is about what you know and how to use the secret information. It is about the fact that almost no one else (including your friends) has any idea how you make your money. It’s your secret.
Being a millionaire is about living in smart houses, about driving new cars and in general; about the art of enjoying life and the pleasures that only money can buy.

If you’re thinking of becoming a Millionaire Marketer by milking the biggest cash cow ever, I have brilliant news for you. You are going to love it.

The first thing that you are going to see when you open this book is its simplicity.

In fact, I can guarantee you this:

When you pick up this book and read the first 5 pages, you will NOT be able to put it down again. By the time you are on page 8 you will ask yourself:

“Wow - can it really be THIS easy?”

AND THE ANSWER IS - YES IT CAN - AND YES IT IS!

Look, unless I miss my guess, right now you are looking for a SMART and EASY way to increase your income...RIGHT? And you should because enough money makes living in tough times very easy.

All I ask is that you read this book, learn everything you can as quickly as you can – and I promise you something amazing – REAL FINANCIAL SUCCESS. In fact, it is yours for the taking the moment you pick up this book.

Let me just stop here for a second. I want to make 100% sure that we are both on the same page before I move on.

Do you understand what I mean when I said that you could become a “Millionaire Marketer” by milking the biggest cash cow the world has ever seen?

YES? Good, because in a minute I will show you how easy it is.

There is just NO END in sight – the upward potential for Millionaire Marketers to “Milk THE CASH COW” is bigger and easier than ever before.

And who is the CASH COW?

The Internet of course - and the world of Internet Marketing is just GROWING and GROWING and keeps on growing to make MILLIONAIRES out of ordinary people every single day!

Not everyone will be lucky enough to receive an invitation to buy this book today.
You see, you will not find this book package on any bookshelf or in any bookstore ANYWHERE. It is sold on invitation only and it reveals the FORMULA of how to MILK THE CASH COW – step-by-step; day-by-day, in such an easy way that anyone can do it! You too!

The money is ready for the taking – all you have to do is say yes!

**This Book Package Can Change the Course of Your Life Forever!**

Listen: I know that you probably seen it all before. The empty promises...the “pot of gold” at the end of the rainbow...the dream lifestyle.

You have seen the photos of people in slick suits, men & woman in flashing cars. Exotic holidays and world travels. And yes, the BIG money...

**But is all this really possible?**

Well, let me put it this way. I can’t talk for others but I can certainly GUARANTEE you that this book will give you the KEY that will unlock the lifestyle you always wanted.

In fact, when you reach page 7, 8 and 9 of this book you will immediately understand what I mean when I say:

…”**A Staggering Amount of Cash Will Trickle Into Your Bank Account EVERY DAY From Now On Until You Say STOP!”**

Just like a dripping TAP somewhere on a remote farm, that keeps on dripping 24-hours a day, 7-days a week, 365-days a year...the money that THIS CASH COW produce will trickle into your bank account automatically until YOU had enough and say “STOP”!

To make sure I leave nothing out, I will also send you a separate 20-page guide explaining why so many people don’t want you to know about the Internet’s secret money-making systems. You will also see why they prefer to keep these secrets for themselves!
But rest assured; I will show you EVERYTHING and once you understand how to MILK THE CASH COW you will become the person you always knew is possible.

**And what about the competition?** Well...there is always some kind of competition, BUT, you will smiles politely at the so-called competition, knowing that the cash is in YOUR pocket – not theirs.

Yes, you will know very well why your *competition* has failed. You will know this because your *competition* will have no idea where the REAL money is. They will “*chase the small fry*” while YOU will be walking away with the “*big fish*”.

All I ask from you today is to show a little “faith & guts” and make a very small investment in yourself to buy this book package.

As you have seen, the book is called: **HOW TO MILK THE CASH COW.** [You will see a picture of the complete package on the next page].

This package is in the form of 4-PDF downloads and will show you EXACTLY how you can earn a fortune with: **No Office expense – No Phones – No Staff – No Business Meetings – No Forms to Fill Out… Just Cold Hard Cash in Your Bank Account Everyday!**

**When you ACT today you will not only get this incredible book package BUT...**

You will also get the special invitation from the SA Chamber of Entrepreneurs (SACE) to become part of a small group of entrepreneurs to become **Local Business consultants.**

You don’t have to pay anything for this invitation or information - it is free.

You will soon see exactly what it is and how it works AND how it will help you increase your income from local businesses.

**Now...** I need to tell you how much this book package is going to cost you.

However, before I do, I want you to know that the INTERNATIONAL publishers insisted on a minimum fee of R500 [About U$35] and suggested a retail price of R750 [About U$54] to cover all the costs.

**BUT WE SAID “No not a chance...”**

This is not the USA and this is not the UK or Europe. **This is South Africa!**

In the end, all we could do to ensure that YOU too get this information was to make an offer and buy the distribution rights of this package in Southern Africa.

And we did. Now **you don’t** have to pay R750...not even close.

On this very special offer you can get everything explained in this letter for **ONLY R72**

Yes, that is it – only R72.00.

*It is about Five (5) U$ Dollars!*
Now obviously, as you can work out for yourself, we don’t sell this book for the money.

The truth is, we already subsidized most of the costs of this package with ten’s of thousands because we are not going to offer it to everyone.

No...we basically give this book away because the information it shares with the reader is vital – we want YOU to have it today.

Right now as you read here, the entire world economy is about to chance in ways most people can’t even imagine – in fact, it already started. Our entrepreneurs need this information URGENTLY!

There is no time to waist – those who wait will end up trying to milk a cow that is as dry as a desert.

I am hesitant to admit this, but the R72 is to get rid of the skeptics and “tire kickers”.

You see, skeptics and “tire kickers” are people who have achieved little but always have an opinion on something they know nothing about.

We all know people like that. In many cases they steal our dreams...don’t let them!

THAT is why you pay R72 today. To illuminate the skeptics and “tire kickers” immediately so that we can help those who are serious about success.

Besides, we don’t need thousands to know these secrets, only those with “guts” who believe in their own abilities and success – don’t you agree?

So there you have it.

I truly believe that if you have read this far, you should make this small investment in yourself. I will keep my promise and I will show you an entire New World of opportunities when you act today.

You have nothing to lose but EVERYTHING to gain. I think you know this already, but let me say it again:
One of the reasons why so many people in South Africa already “missed” out on millions and millions while others elsewhere in the world have earned billions on the Internet, is because many of us (in South Africa) tend to wait for an “Invitation” that is engraved in Granite.

I am sorry to say, but this is foolish. You can’t wait for things to happen next month or next year in digital world and then act…you will be to late.

You need to ACT NOW, because this is a “ready, fire, aim” kind of business. Things move fast and those who act quickly earns quickly!

The capital investments you need to make today is only R72.00, but the price you will one-day IF YOU DO NOT act today is going to be HUGE. Trust me on this!

You simply MUST know these secrets if you want to MILK THE CASH COW - or you’ll just “spin your wheels“ and you will end up back were you started.

GET THIS BOOK PACKAGE NOW – IT WILL INSURE YOUR SUCCESS!

You can have the “pot of gold” you always wanted in your hands in the next 10 minutes.

YOU take no risks – We give you a fully licensed, 100%, Money-Back Guarantee. If in the unlikely event you don’t feel that this investment is worth R72, just say the word and you will get 100% of your investment back.

Thank You
